

Friday Letter

December 21, 2007

Dear Members of the ACCS Community,

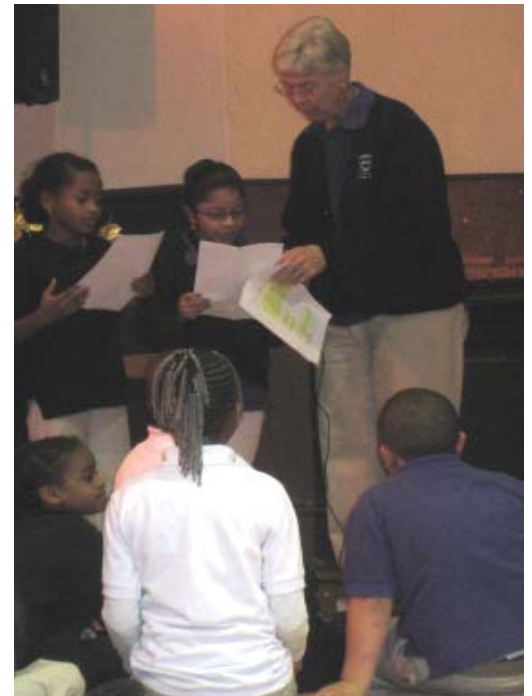

Congratulations to all of the students and teachers who worked so hard to present a wonderful Celebration of Student work. Thank you to all of the parents who came to the celebration to support their children. We have a wonderful community spirit.

Many of you have asked about what is happening with our charter renewal. We are currently working hard on the renewal and have every reason to believe we will be renewed. Please give me a call if you want to talk further about this.

Next week we are on a holiday break. Please take some time to read with your children each day. Don't forget that we begin the New York State English Language Arts (ELA) test on January 7<sup>th</sup>.

Happy Holidays!

, Mary Theresa Streck, Principal

## Dad

*When will he ever come to see his beautiful 10 year old daughter that has the blessing to move on even though she doesn't have her father in her soul.*

*Does he know how I feel to not have a father call on my birthday, on a very special day?*

*If I just had the chance to call him by the name 'Dad' that would be the happiest day of my life.*

*I wonder if he knows I don't even know how to spell his name, isn't that a shame.*

*I just wonder.*

*Dad, I miss you so why can't you just come, come down to Troy and see your daughter at school.  
Come to at least say hello my daughter.*

*By,*

*La'Aja .C. Parker, Grade 5*
