Dear Mayor Tutunjian,

Hi, my name is Abbaas. I live in Troy. Troy is a good place to live and it has the Hudson River next to it. I know that you live next to the Hudson River too. I can't wait to meet you. My school is the Ark Community Charter School. Do you make laws? I will see you on next Friday! I like the no stealing law in Troy.

Troy is a good place to live and it is fun. The proposal to make Troy a better place is to stop people from littering. We want the Earth to be clean and healthy. We want to live in a clean place. We can do this by we the people cleaning up.

Thank you for listening to this letter.

From,

Abbaas
