Dear Mayor Tutunjian,

Hi, my name is Jatae. I am from Troy. I like to watch TV, like Sponge Bob and wrestling. I like the sports teams in Troy. I am a baseball player. One of the services I like is the playground in Troy.

One of my proposals to make Troy better is to open a game service building. It would be a program for kids to get together and have fun playing video games. It is to make kids happy. You need money to do it so people need to give you taxes.

Have a good day!

Love,

Jatae
