Dear Mayor Tutunjian,

My name is Kristal. I'm in 2nd grade. I live in Troy, New York. I like the laws in Troy because they can keep us safe. I like the safe drivers. We have good citizens in Troy.

A proposal is to keep Troy safe. Two ways to keep Troy safe is no smoking and no guns. Smoking does not help our lungs. I want to be healthy. If you have a gun you can kill someone. They are dangerous. The police can catch people than are smoking. The mayor has to close down gun stores. Have a great day Mayor Tutunjian!

Love,

Kristal
