Dear Mayor Tutunjian,

Hey Mayor Tutunjian. My name is Zekiel. I am from Troy. The school I come from is The Ark Community Charter School and I am a second grader. I like how you take care of our city. There a lot to do here. I like the goodness you do. I like how you help the people in Troy and I look forward to meeting you.

I have a proposal. It is to keep the gangs away and move them to another place so we don't get hurt. We can give them work. Also make sure the homeless people have money so they will go to school and it should be a law. Write back soon and keep up the good work.

Love,

Zekiel
