

Third Grade Goes to the Zoo!

Last Thursday the third graders went to the Ashville Game Farm and Exotic Zoo. We saw some really cool animals! Some of the animals we saw were: alligators, turtles, bears, kangaroos, deer, llamas, baboons, monkeys, peacocks, parrots, bobcats, a camel, turkeys, and lemurs. While we were there we investigated which types of vertebrates we saw and recorded them into groups of mammals, reptiles, birds, amphibians, and fish.
