

What we've been up to...

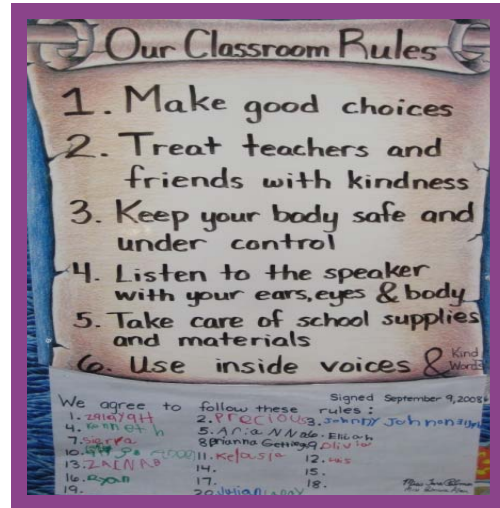

Hello! I hope the beginning of the school year is going as well for you as it is for this first grade class.

These past weeks have been very productive. All children have illustrated and written at least one hope and dream for the new school year. From those hopes and dreams, we developed

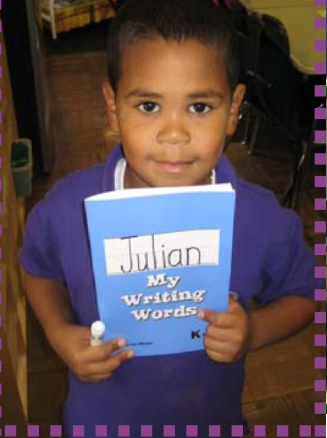

classroom rules so that all children will attain their own personal hope and dream. The children's work will

be on display at our open house, Wednesday, September 24th, at 5:30 pm. We hope to see you all there!
