

The First Grade Friday Letter

November 20, 2009

Math

We finished chapter three in math this week! Our chapter included the concepts of counting on, using a number line, doubles, doubles plus one, and word problems with extra information. The children have made excellent progress. We continue to break into small learning groups so that students can have optimal learning opportunities.

Important Announcements:

- Please send in your child's Seal A Smile paperwork, even if you are not interested in the program.
- Also, please join us for the Thanksgiving Community Dinner, 11/23/09 at 6pm.

Other News: We continue to assist your children emotionally as they adjust to the loss of Miss. Tara. All in all, it has been a good week.
