

## Katie Cleans the Park

By Briana

My character's name is Katie. Her nick-name was cake-cake. Katie has a pony tail with curly bangs. She wears a long white dress with red shoes. Katie likes to play with Barbie dolls. She loves to play with her mom's hair. Katie is a smart girl.

One day Katie went to the park with her friends. When Katie saw the park, it was all dirty! She got really mad. She couldn't believe that people would throw all that garbage on the ground. Katie spoke to her friends about helping her to clean up the park. Her friends said it fine with them. "Let's do this now!" they said. There were empty cans, bottles, and garbage everywhere. Katie ran home and got three big garbage bags and some plastic gloves.

Katie and her friends cleaned all the garbage around the park. As they were cleaning a newspaper writer drove by. He stopped and asked if he could take their picture for the newspaper. Katie and her friends were so happy. The next day Katie and her friends had their picture in the newspaper for their hard work and for helping to clean the community. Now the park is clean and safe to play. If there were more people like Katie in the community, it would always be clean.
