

Miss Klem's Classroom Times January 15, 2010

Dear Families,

This week we finished Chapter 4 in Math, which was on graphs and time. To help tell time, have your child read you the time on a clock and ask about different ways to say it (for instance, 3:15 can be said quarter after 3; 3:30 can be said half past 3). Next week in Math we will begin Chapter 5 - multiplication! The students are very excited to begin learning their multiplication facts. We will begin with multiples of 2's and 5's.

I hope you all have a restful weekend!

<p>ELA We will be reading "Night Letters," by Pamela LoMonoca. We will be focusing on the constant sounds /j/ and /k/, drawing conclusions, and subject-verb agreements.</p>	<p>Writer's Workshop We will continue to work on our realistic fiction stories. The students have been working hard on their stories and are doing a great job!</p>	<p>Science The final biome of the world we will be learning about is the rainforest. At the end of the unit, we will be working in groups to recreate the biomes using shoe boxes.</p>
