

Miss Klem's Classroom Times January 29, 2010

Dear Families,

Today the students did an awesome job during their performance of "Stone Soup!" We have so many talented students at our school.

In Math we will continue to work on learning our multiplication facts. Next week we will focus on the factors of 9, as well as reviewing the factors of 0, 1, 2, 5, and 10. It is important that your child practices these facts daily. Each student received a CD "Smart Shorties," which helps teach the facts from 0-12.

I hope you all have a warm weekend!

Miss Klem

<p><b>ELA</b> We will be reading "Volcanoes: Nature's Incredible Fireworks," by David L. Harrison. We will be focusing on words with <i>wr</i>, <i>kn</i>, <i>mb</i>, and <i>gn</i>. ; context clues, using a dictionary and irregular verbs.</p>	<p><b>Writer's Workshop</b> This week we will be learning about tall tales and creating our own!</p>	<p><b>Science</b> The final biome of the world we will be learning about is the rainforest. At the end of the unit, we will be working in groups to recreate the biomes using shoe boxes.</p> <hr/> <p><b>Social Studies</b> We will be exploring the country of Japan. We will be learning about Japanese culture and compare it with our culture.</p>
