

Miss Klem's Classroom Times March 29, 2010

Dear Families,

We've had an exciting end to our week! Yesterday in Science we had a woman come in with her reptiles! We were able to see (and touch) most of her friends. There were snakes, lizards, a camelion and frogs. This morning we went to see Doktor Kaboom at the Palace Theatre in Albany. He is a very energetic and funny man who showed us cool experiments on stage.

I hope you all have a nice weekend!

Miss Klem

<p>ELA We finished Unit 4 and will be taking our benchmark test, as well as reviewing skills that we have learned thus far in the year.</p>	<p>Writer's Workshop We have finished our tall tales! We will be doing practice for the NYS ELA and Math tests.</p>	<p>Math We wrapped our Chapter 7 and took our test today, which was on division. Next week we will begin Geometry and Measurement. Students are encouraged to continue studying their multiplication facts.</p>
<p>Social Studies We are wrapping up our unit on Japan. The students are currently working on a writing piece that compares Japan to the United States.</p>	<p>Science We will wrap up our unit on birds. The students will be learning about different types of birds and their characteristics.</p>	<p>Sha'Asia is petting a turtle that is 26 years old!</p>
