

Miss Klem's Classroom Times June 11, 2010

Dear Families,

Our trip to The Bronx Zoo was fun! We enjoyed the day seeing a variety of animals, including a tiger, giraffe, chicken, lama, goat, among many other animals. The students were even able to touch and feed some of the animals!

Next week will be our last full week of school. On Wednesday, June 16, the students will be having their Show of Works and performance. On that day, the students may wear **plain white tee shirts and jeans** to school, and are expected to wear the same attire to the night time performance.

I hope you all have a nice weekend!
Miss Klem

ELA We will focus on our final test of the year, which consists of all the skills we've learned from the beginning of the year.	Writer's Workshop Students will finish their animal paragraphs. They will also be working on a memory book.	Math We have started Chapter 11, which focuses more on multiplication and division with multiple numbers. We will also be taking our final test that consists of all the skills we've learned from the beginning of the year.
Social Studies Students will be tested on knowing their 50 states, their location, as well as a review of continents and directions.	Science Animal Investigation: The students will begin observing their crabs in their groups and taking notes on their behavior, characteristics, and environment.	Here are some students observing giraffes in their habitat. 

Spelling words for next week: cloth, clothes, nature, natural, able, ability, mean, meant, deal, dealt, please, pleasant, sign, signal, signature
