

Miss Klem's Classroom Times for October 23, 2009

Dear Families,

Every Friday we do Buddy Reading with Ms. Hope's Kindergarten class. The students are each paired up with 1 or 2 kindergartners and reads with them. The students are doing a fabulous job reading to the students, as well as participating in activities with them. Today before they read a book, they helped the students write about and illustrate their apple picking experience. The students are all great readers; please continue to read to your child and encourage them to read

Have a great weekend,

Miss Klem
