CAMP CHINGACHGOOK

Get rested up for our day trip on Monday!

Remember to pack for any weather.

We'll go rain or shine!

ACADEMICS

- We took our first spelling test!
- In Social Studies we learned about different types of land forms.
- In math, we have been comparing numbers 1- 999,999,999.
- In Literacy, we finished Because of Winn Dixie.
- In Science we defined matter and properties.

CARES PROGRAM

The cares program is up and running! Your students should be able to tell you at least two ways to cool down. Also, this week we practiced "I Statements". An example is: I feel _____ because _____. When your child is having a conflict at school or home, they can utilize these skills. These are also great strategies for adults. Try it!
