

Fifth Grade News!

Mr. Mark's and Miss Jackie's fifth graders have been very busy! In December, we met with RPI students and we had a lot of fun learning from them. We also had our Show of Works and the students did fantastic! On the last day of school before our winter break we participated in the school's first Pajama Day. We all had a great time wearing our pajamas to school and hope that this will become an annual school-wide tradition!

With the start of a new year, we're all hoping for a happy, successful, and healthy 2010! The students were all excited on their first day back; they couldn't wait to see their friends and teachers so they could share all of their great memories from break. We heard about their holidays, what they did on New Year's Eve, and even sleigh riding in Frear Park. When it was time to get back to work, the students proved once again they're hard workers. We started our Health unit in Science and they dove right into learning about the various 'systems' in our bodies. In this unit, they will be doing presentations about what they learn. They already started making their posters and PowerPoint presentations! Feel free to come to our classroom and share in our learning experience!

Happy New Year!

(Some of our students participating in activity created by RPI students).
