School Performance
- December 24-January 4th
School Winter Break

Sight Words:

1. the
2. he
3. am
4. little
5. have
6. for
7. have
8. like

Over the last month our students have become more familiar with words. We are currently working on our sight words and becoming more familiar with rhyming through word families. Our word family books come home weekly and having your child read it is a great way to reinforce this skill.

Our class had a wonderful time on our trip to see King Island Christmas. The performance was filled with beautiful music! We will be building igloos to celebrate the trip and learn more about Eskimos.

The Kindergarten classes are currently working on a Winter theme. As part of the theme we will be building magic snowmen out of playdough. The students will write stories about their snowmen. Come see our wonderful bulletin board soon!

My snowman's name is Spike. He went to the park. He went on the slide. He went on the swings. Then he went home. Then he ate. He liked cereal. The End.

By ShaQuan Jenkins

My snowgirl's name is Icey. She went to go play on the ice. She went back home in her igloo. She went to go see the penguins. They went for a walk on the ice. Then she went back home for icy food and the penguins went with her.

By Nevaeh Bennett

My snowman's name is Deyshawn. He goes to the North Pole. At the North Pole he makes presents for Santa. He travels in his sleigh. He flies with the reindeer.

The end.
