

October 19, 2009

Dear Parents,

We are going to now start a letter museum. Throughout the week your child should find items or pictures of things that start with the letter of the week. This week we are working on the letter Mm. They may bring in an Mm item or cut out pictures that begin with Mm from magazines or newspapers. Please send them into school by Friday so we can share them.

Also, just a reminder: Have your child read the books they bring home. Once they have read it 5 times you may sign it and return it to school. They will then pick a book from our book basket to keep. Reading takes practice and the more they practice the stronger readers they will become!

Thank You,

Ms. Hope
