

March 5, 2010

Hello Kindergarten Families,

This week in Kindergarten students heard the story *Bunny Day*. We learned about the adventures you can have each day. We began reading three new words: **are, that, do**. Please practice reading with your student at home. Our letter of the week is Hh. Please practice blending short words with your students at home. Our readers are getting more difficult and students are expected to start sounding out words on their own. For example: had, sit, and man.

In math we are working on our chapter that is based around time and money. The students are being introduced to coin money and how much it is worth, along with how to count out the amount of money we have. This week we were introduced to the penny and nickel.

Students are enjoying working on their journals. Each student received their own journal after February break. We are writing entries in them two or three times a week! Ask your student to share about their entries!

If you have not received your child's second quarter report card please call me immediately to set up a phone conference or a visit at school!

Sincerely,

Ms. Mars and Ms. Julia
