

FRIDAY LETTER

October 16, 2009

Hello Kindergarten Families,

This week in Kindergarten students heard the story *Julius*. We learned about how friends play and work together. We began reading two new words: **to**, **a**. Please practice reading with your student at home. Also, we began our letter of the week. This week we focused on Mm, discovering words that begin with Mm, practicing our handwriting for the letter Mm and learning its sound!

In math we had a close to our chapter on graphing and patterns. The students learned so many different ways to make patterns with colors and shapes, such as: ABAB, ABCABC, AABAAB, and ABBABB!

Students enjoyed their field trip to the fire station on Tuesday. We were even allowed to sit on the fire truck and turn on the siren lights!

Our field trip to Goold's Orchard is next **Thursday, October 22nd**.

Please make sure that your student wears jeans and their uniform shirt to school!

Sincerely,

Ms. Mars and Ms. Julia
