

FRIDAY LETTER

Dear Kindergarten Families,

Here we are in December! Your students are all doing an amazing job at school. We are learning to read and write more and more each day!

In reading we listened to the story “A Bed for the Winter” and read our own books about winter. Our letter of the week is **ii**, which we know is a vowel because it has two sounds! Our new sight words are **he** and **for**, please make sure to review these with your student at home. In Math we extended our number knowledge beyond ten, working with numbers eleven-twenty. In writing we worked with our third grade buddies to write about what we like to do in the winter. These will be displayed on our bulletin boards in the hall for everyone to see!

****Don't forget: Wednesday, December 16, is our performance and art show at 1:30 and 6:00, we hope to see you all there****

Sincerely,

Ms. Mars and Ms. Julia
